

DEPRESSED SPIRITS

Everyone Has It Within His Power to be Happy

A celebrated French physician has said that "a man's liver is the barometer of his disposition."

Every man and every woman knows that the cheerful smile is a big factor in one's success.

Every one should know that the disordered liver is cause of ninety per cent human ills. Lazy overworked livers are the prime causes of headaches, indigestion, constipation and dozens of other ills.

But the inactive liver always warns by coated tongue, sour stomach, dull eyes and even laziness.

Feed your warning and you insure happiness to yourself and reflect it upon your associates.

Calomel used to do. Modern day science has found a better way in CARSWELL'S LIVER-AID which is a pure, vegetable remedy on sale under guarantee or money refunded at 50 cents for large bottle. Ask Frierson's Pharmacy about it. Belton S. C.

DIVIDING ESTATE OF JAS. EDWARD CALHOUN

17,000 ACRES IN ABBEVILLE COUNTY

INTERESTING CASE

Caused By the Death of Augustine T. Smythe, Who Has Been Receiver

An interesting law case was heard last Saturday at chambers by Circuit Judge F. B. Gary, in which a number of distinguished lawyers were heard.

Augustine T. Smythe, senior, was executor of the estate of James Edward Calhoun, including 17,000 acres of land and the valuable Calhoun Falls on Savannah river. It seems that the property had been sold to an organized company, including all the legatees, except E. B. Calhoun and Mrs. Granville Deal.

The company was organized several years ago, when the sale was made. The rents of the farms have been paid on the interest account, which was at eight per cent.

Augustine T. Smythe died in Charleston a few weeks ago.

His death occasioned the application for the appointment of another receiver for the property. The importance of the issue was such that it was no trouble to find some one who was willing to accept the responsibility.

Andrew P. Calhoun, of New York, gave of his willingness to take charge of the property, and employed the law firm of Cottrhan, Dean & Cottrhan of Greenville, to present his claim for the appointment. Thos. P. Cottrhan appeared before the judge.

B. L. Abney and J. Fraser Lyon of Columbia represented E. B. Calhoun's interest.

D. H. Hill, of Abbeville, represented Mrs. Granville Deal.

Ernest Visanska, of Charleston, represented the Calhoun Falls company.

And all the lawyers in the case exercised their greatest power with Judge Gary.

Augustine T. Smythe, junior, was urged for the appointment.

Dr. F. E. Harrison of Abbeville, had no attorney in his behalf, but Judge F. B. Gary, on his own motion, divided the honor and the profit with his fellow townsman.

The court, upon hearing the attorneys, appointed F. E. Harrison, of Abbeville, and Augustine T. Smythe, Jr., of Charleston, receivers of the Calhoun Falls company, and they will take care of the best interests of all until the court shall order the property sold.

The case was referred to Master F. E. Hill to examine and make report to the court as to the law and the facts.

The receivership of this large estate is quite a good job, the profits or commissions of which will amount to something like \$10,000 or \$15,000 or two and a half per cent for receiving and an additional two and a half per cent for paying out the money.

No more wise or courageous receivers could have been found than Dr. Harrison and Augustine T. Smythe. And we think Judge Gary deserves the thanks of our people for not sending to foreign parts to secure trusted agents for the valuable lands in Abbeville county.

As a lawyer, F. B. Gary was a wise counselor for his clients, and as a Judge Mr. Gary acted with the same wisdom and discretion, that he exercises as a lawyer years ago.

As it is, his clients will get the full amount of their money, some \$50,000, not counting interest, while the members of the organized company, at the lawyers get their money, will be less fortunate.

But the great public is not particularly interested in either the company or the individual creditors. Public interest is to be conserved by the improvements or developments of the unsurpassed water power which is going to waste.

It is to be hoped that Master F. E. Hill may be authorized by the court to make the sale when it takes place. If so, he, like Dr. Harrison, will get a nice fee, which rightly should come to him. Such good fortune could come to receiver and salesman but once in a lifetime, and the court and our lucky neighbors are to be congratulated.

In Her New Place. "How are you getting on at your new place?" remarked a lady of a girl whom she had recommended for a situation. "Very well, thank you," answered the girl. "I am glad to hear it," said the lady. "Your employer is a very nice person, and you cannot do too much for her." "I don't mean to ma'am," was the innocent reply.

Odd-Looking Shark's Egg. A shark's egg is one of the oddest looking things imaginable. It is unprovided with shell, but the contents are protected by a thick, leathery covering, almost as elastic as India rubber. The average size is 2 by 2 1/2 inches, and it is almost jet black.

New Heirs To Austrian Throne a Popular Couple

ARCHDUKE CHARLES FRANCIS JOSEPH of Austria and his consort, Princess Zita, are now heirs to the throne of Austro-Hungary owing to the assassination of Archduke Francis Ferdinand and his wife. The couple are popular in royal circles in Europe, having visited several of the capitals. Prince Charles is a good marksman and a devotee of outdoor sports.

HOME COMING WEEK AT CLEMSON COLLEGE FULLY 1,000 FORMER STUDENTS HAVE ACCEPTED INVITATION AUG. 27TH TO 31ST This Will Be a Memorable Event In the History of the Great Institution

Clemson College, July 16.—Approximately 1,000 former students and graduates of Clemson College have already replied to their invitations, signifying their intention of being present for "Home Coming Week" the big reunion occasion which will take place at Clemson College from noon of August 27th, to noon of August 31st. It is planned to make this one of the greatest affairs ever held by any southern college.

The acceptances already received make it certain that the capacity of Clemson's large barracks will be taxed to accommodate those who come. President W. M. Riggs is doing everything possible to have invitations reach every one of the six thousand men who have attended Clemson. Many, however, have been returned unclaimed and it is desired that any former Clemson men who have not yet received invitations write to the president. It is the college's purpose to make "Home Coming Week" a memorable event in the lives of all who attend and it is desired that all old Clemsonites receive notice of the occasion.

The attendance will have to be limited to former students only, because of limited facilities. It will be impossible to take care of even the wives of those who are "coming back." The accommodations will be sufficient for only the alumni and ex-students themselves, so large will be the number of these. A most enjoyable program is being arranged for the five days of "Home Coming Week." The details of this will be announced later. Especially attractive features will be prepared for Friday, Saturday and Sunday, the 28th, 29th and 30th, respectively.

COL. R. A. THOMPSON ILL Distinguished Citizen of Walhalla Feels Effects of Age. Knowee Courier. R. S. Thompson of Anderson, arrived in Walhalla Monday in response to a telegram announcing that his father, Col. Robt. A. Thompson, was not so well. The venerable gentleman is, and has been for some time, quite feeble, though his present condition, we are informed is due to the weakness of age and not disease.

WALHALLA SHOWS APPRECIATION Gratification Expressed To Visitors From the Various Towns Along the Blue Ridge

In the course of a very interesting two-column account of the visit of the Anderson and other business men on account of the gratification trip, the Knowee Courier of Walhalla says: "Walhalla had the pleasure Monday of entertaining about forty visitors from Anderson, Pendleton, Sandy Springs, Seneca and Westminster and other points in and out of the county. It was a pleasure to have these ladies and gentlemen in our midst, and it is the general opinion, both of the visitors and the people of Walhalla, that great good has been accomplished by means of the trip that brought to us the visitors from sister towns and communities.

Shortly after the arrival of the gas-electric car the visitors were furnished with transportation by auto to Russell's, 16 miles above Walhalla, on the Highlands road, where they were enabled to spend a few hours before returning to town. The party reached here on the return about 1 o'clock and were entertained at the Walhalla Hotel as guests of the town.

Immediately following the excellent dinner served by the management of the hotel, impromptu talks were made by a number of citizens and guests, and it was evident that the visitors had had their eyes opened as to what has been done on the automobile highway over the mountains. As one of the speakers expressed it, the people of Anderson have been under the impression that Walhalla and Highlands and intervening territory had been working the "hot air" pipes through the newspapers for show, but they found that the work done surpassed even the things told as to conditions for trans-mountain travel by this new route.

STATE NEWS Dr. J. E. W. Hale, of Rock Hill, was acquitted of the charge of malpractice. Mrs. L. N. Gilbert lost her life while bathing in a creek near Hartsville. A site has been selected for the new postoffice building which will be erected at Lancaster at a cost of \$50,000.

A monument to the Confederate veterans of Clarendon county was unveiled at Manning. Winnsboro will vote on an issue of \$100,000 bonds for water and lights. Furman Davis, a farmer of Newberry county, was found dead, with a shotgun by his side. Death was caused by suicide or accident. The loss in York county from the hail storm is between \$600,000 and \$1,000,000. Graduates of Newberry college will hold their annual reunion at Little Mountain the latter part of the month.

DONALDS MAY ANNEX TO GREENWOOD COUNTY

MOVEMENT IS TAKING DEFINITE SHAPE

IS RICH TERRITORY

The Committee Met In Greenwood Thursday and Started On the Plan of Campaign

Greenwood is surely going after the annexation of the Donalds section of Abbeville county. That would put Greenwood adjoining Anderson. The Greenwood Journal of yesterday says that necessary steps will be taken at once to call an election on the question of annexing the Donalds section of Abbeville county to Greenwood county.

A committee of Donalds citizens, consisting of Messrs. W. H. Dunn, R. L. Barmore, B. W. Tribble, Brown and Killingsworth held a conference with the directors of the chamber of commerce Thursday morning with a view to working out the details of the proposition, says the Journal. A committee from the chamber of commerce consisting of president Baker and Messrs. J. H. Parks, and N. A. Craig, was appointed to co-operate with a Donalds committee and attorneys in the case.

Mr. Dunn, who was spokesman for the Donalds delegation, stated that an area of 47 square miles he believed can be voted into Greenwood county, since all the citizens in this territory named are anxious to become citizens of Greenwood. A petition, he said, would be circulated at once and he felt sure that it would be signed by practically nearly every freeholder. The territory is bounded on the east by Saluda river, on the north by Anderson county line, within a half mile of Honea Path, on the west by a line about midway between Donalds and Due West and on the south by the Greenwood county line.

The section is one of the best in Abbeville county and the country district is peopled almost entirely by white farmers. The directors of the chamber of commerce endorsed the movement enthusiastically and assured the Donalds delegation that the city would render all the aid within its power. The local committee will represent Greenwood at other meetings when definite plans will be made as to the survey, etc.

QUIET MEETING AT BARNWELL Large Crowd Present and All the Candidates Were Well Received

Special to The Intelligencer. Barnwell, July 16.—The lions and lambs were friendly at the state campaign meeting here Thursday. Several hundred voters were present to witness the fireworks but nothing out of the usual was developed. All members of the party were given a careful hearing by the voters. Thos. H. Peoples, candidate for attorney general was not present. This is his home county. Charles Carroll Sims, candidate for governor, gave his time to his opponents. The statement by one candidate for governor that he was against compulsory education was liberally applauded.

A. W. Jones, candidate for comptroller general, was absent from the meeting today. John G. Richards continued to declare that he was not a coat-tail swinger. Charles A. Smith, candidate for governor, declared that a state wide prohibition law should be submitted to the people of the state. Manning, Cooper and Smith made ringing speeches for law and order.

DELEGATES HAVE RETURNED Splendid Meeting of the W. M. U. at Honea Path This Week. Mrs. J. F. Vines, Miss Anna Berger, Miss Olivia Duckett, Mrs. E. W. Masters, Miss Hortense Morris, Miss Jettie Edwards, Mrs. Rufus Fant, Mrs. R. H. Burriss, Mrs. John Pruitt, Misses Helen and Lucille Burriss, Mrs. J. M. Sullivan, Jr., Mrs. C. S. Minor, Mrs. Scribner Brown, Mrs. Herminia King, Mrs. A. L. Smothers, Mrs. C. S. Sullivan and Mrs. J. O. Sanders and Miss Bettie Earle returned yesterday afternoon from Honea Path where they attended the annual meeting of the Womans' Missionary Union of the Saluda association. They report a splendid meeting with over a hundred delegates present. Mrs. Vines is the president with Mrs. E. W. Masters as superintendent. Several of the Anderson ladies were on the program and Dr. Kinard made a talk on behalf of Anderson college.

Preaching at New Prospect. There will be preaching at New Prospect church next Sunday morning at 11 o'clock. All members are requested to attend, as matters of interest to the congregation will be considered. Sure. Cincinnati Inquirer. "Travel will bring out all there is in a man," observed the Sage. "You must mean ocean travel, don't you?" asked the Fool.
